## Hausmann Unkrautfuchs FoxOne

### Effective + environmentally friendly

The weed killer Unkrautfuchs FoxOne from Hausmann wins the WORLD GARDEN AWARD in the weed killer category „Premium“.

The WORLD GARDEN AWARD is given to the weed fox FoxOne because it particularly impressed the jury in terms of effectiveness and environmental compatibility.

The WORLD GARDEN AWARDS are presented annually. With the awards, the expert jury honors products that stand out from the competition with new ideas or technologies, precise and durable workmanship and the use of high-quality materials or an excellent relation between acquisition costs and utility value.
